**M-TECH ASSOCIATES, LLC'S OBJECTION TO NINTH OMNIBUS MOTION
PURSUANT TO 11 U.S.C. § 365 TO REJECT CERTAIN EXECUTORY CONTRACTS
AND UNEXPIRED LEASES OF NON-RESIDENTIAL REAL PROPERTY**

M-Tech Associates, LLC ("M-Tech") states as follows for its Objection to Ninth Omnibus Motion Pursuant to 11 U.S.C. § 365 to Reject Certain Executory Contracts and Unexpired Leases of Non-Residential Real Property:

Relief Requested

M-Tech respectfully asks the court to deny the Ninth Omnibus Motion Pursuant to 11 U.S.C. § 365 to Reject Certain Executory Contracts and Unexpired Leases of Non-Residential Real Property ("Ninth Motion") as it relates to M-Tech's lease for the property at 33500 Mound Road, Sterling Heights, Michigan ("Lease"). As part of the sale of its assets to General Motors Company ("GM"), the Debtor assumed and assigned the Lease, effective July 10, 2009. A copy

of the confirmation of that assumption and assignment (“Confirmation”) is attached as Exhibit A. GM now contends that the Confirmation refers to a different contract and that the Debtor did not assign the Lease to it. Because it is undisputed that a contract with M-Tech was assumed and assigned and because the Lease is the only contract the Debtor had with M-Tech, as a matter of law and common sense the Lease was assumed and assigned and cannot be rejected. The Motion must be denied accordingly.

Background Facts

On August 28, 1986, M-Tech and General Motors Corporation entered into the Lease. The Lease contained a Rider that was both attached and made part of the Lease. *See* Lease, attached as Exhibit B. Paragraph 12 of the Rider indicated that MTech would provide “all services required by” the tenant, including “maintenance, repairs . . . janitor services, snow removal during ordinary business hours” and similar services (“Maintenance Services”). The tenant was obligated to pay \$12,000 per year for these services as additional rent. *See* Lease at Rider, ¶ 12. The tenant agreed to pay “any costs which exceed the \$12,000 annual allowance” and to pay for real estate taxes and insurance. The tenant had full discretion regarding the level of services and could direct MTech as to who would provide those services.

The Lease was extended and amended from time to time, but none of the amendments altered paragraph 12 of the Rider.¹ *See* Lease Amendments, attached as Exhibit C. The Lease contains in integration clause that indicates the Lease may only be modified “by an agreement in writing *signed by Lessor and Lessee.*” *See* Rider at p. 6 (emphasis added). The final written amendment to the Lease was executed on June 5, 2006.

¹ Each of the amendments indicated that, other than the changes made through the written amendments, the terms of the original lease were “in all respects ratified and confirmed.”

Throughout the parties 23-year course of dealing, M-Tech performed janitorial services and otherwise maintained the leased property, as required by paragraph 12 of the Rider. M-Tech sent the Debtor an invoice for the services that exceeded the annual allotment and the Debtor paid the invoice. At some point, the Debtor began issuing purchase orders after M-Tech issued an invoice for services. The purchase orders mirrored the invoice and M-Tech understood that the purchase order format was used in order to facilitate payment, *i.e.* it was an internal accounting procedure for the Debtor, not a “contract” that superseded or modified the Lease.

On June 5, 2007, M-Tech received notice that the Lease was going to be assumed by the Debtor and assigned to the purchaser of the Debtor’s assets. M-Tech filed a timely objection to the cure amount, but did not object to the assumption and assignment of its Lease. The assumption and assignment of the Lease was confirmed by both the Debtor and GM on a website established for communications with entities that had executory contracts with the Debtor. The assumption was not limited or conditioned in any way and, on information and belief, nothing in the Master Sale Agreement limits the assignment of the Lease; it was unconditional.

Immediately after the assumption and assignment, GM (not the Debtor) began paying rent as required by the Lease and its assignment to GM. It also paid the accrued property taxes as required under the Lease. GM did not seek any janitorial services under a “purchase order.”

Legal Basis for Relief

GM is seeking to avoid the consequences of its decision to accept the assignment of the Lease by arguing that it assumed a “blanket order” related to janitorial services, only. No order of the court, no provision of the Bankruptcy Code and no principal of Michigan law supports GM’s clumsy efforts to avoid its liability under the Lease. The records it and the Debtor submitted pursuant to the MSA indicate conclusively that GM accepted the Debtor’s assignment

of the Lease. The Debtor cannot reject a contract that was assumed and assigned outside of its bankruptcy estate and its motion to do so must be denied.

A. The Debtor cannot assume part of the Lease and reject the rest.

Under the Bankruptcy Code, a debtor in possession may elect to reject or assume its obligations under an executory contract. 11 U.S.C. § 356(a). The assumption is *cum onere*; the whole contract is assumed or the entire contract is rejected. *NLRB v. Bildisco*, 465 U.S. 513, 531 (1984); *In re CellNet Data Systems, Inc.*, 327 F.3d 242, 249 (3rd Cir. 2003). In order to avoid this black letter law and avoid its obligations under the assumed-Lease, GM contends that the Debtor assumed and assigned to GM only that part of the Lease related to M-Tech's obligation to provide janitorial services. GM premises its position on its contention that the "blanket order" for janitorial services the Debtor issued pursuant to the Lease is a separate contract that the Debtor assumed and assigned to it. The argument is specious.

For purposes of § 365, "interpretation of the legal status of lease agreements is governed by state law." *In re S.E. Nichols Inc.*, 120 B. R. 745, 748 (Bankr. S. D. N.Y. 1990). In this case, the Lease is governed by Michigan law. Under Michigan law, "an essential element of a contract is legal consideration." *Yerkovich v. AAA*, 461 Mich 732, 740 (2000). "[G]enerally, consideration cannot be the performance or promise to perform that which one party was already required to do under the terms of the existing agreement." *Id* at 740 – 741. Here, the Lease required M-Tech to perform janitorial services and for the Debtor to pay for those services. M-Tech issued monthly invoices for its services, and, for the past several years, the Debtor issued a purchase order pursuant to a "blanket order" with its payment for those services. The purchase orders referred expressly to and indicated that payment was being made pursuant to the Lease. The "purchase orders" did not contain any new obligation on the part of either the Debtor or M-

Tech and neither party was required to take any action in response to a purchase order. The “blanket order” and attendant purchase orders were merely an internal accounting mechanism at MLC that facilitated payment for services. They were not a contract between M-Tech and the Debtor because they did not create any new obligations on either side.

Moreover, the Lease contains an integration clause that was affirmed with each amendment as late as 2006, well after the Debtor began to issue purchase orders with its payments. The integration clause requires amendments to be in writing, signed by both parties. “The primary goal in the construction or interpretation of any contract is to honor the intent of the parties.” *UAW-GM Human Resource Center v. KSL Recreation Corporation*, 228 Mich App 486, 491 (1998), citing *Rasheed v. Chrysler Corp.*, 445 Mich 109, 127, n.28 (1994). “Contractual language is construed according to its plain and ordinary meaning, and technical or constrained constructions are to be avoided.” *UAW-GM Human Resource Center, supra*, 228 Mich.App 491-492. There is no reasonable construction of the Lease that would permit the Debtor to unilaterally carve out the provision related to janitorial services and replace it with a new, separate contract.

In other words, under Michigan law, the Debtor’s decision to issue a “blanket purchase” order as part of its internal accounting procedures did not create a “new” contract between M-Tech and Old GM. GM’s argument that it assumed a contract related to janitorial services therefore is utterly without merit. No such contract existed to be assumed and assigned to it. Rather, it assumed the only contract between the Debtor and M-Tech, i.e, the Lease.

B. The Lease was assigned to GM and is no longer subject to rejection.

M-Tech had one contract with the Debtor and that was the Lease. The Lease was assumed and assigned to GM and therefore is no longer subject to rejection by the Debtor. *In re*

Sapolin Pints, Inc., 20 B.R. 497, 500 (Bankr. E.D. N.Y. 1982); *In re Lafayette Radio Electronics Corp.*, 9 B.R. 993, 1000 (Bankr. E.D. N.Y. 1981). Once a lease has been assumed and assigned, a novation occurs and the rights of the parties are governed by state law. *Wainer v. A.J. Equities, Ltd.*, 984 F.2d 679, 683 (5th Cir. 1993). The novation happens as a matter of law, and the consent of the contracting party other than the assignee is not required. *Id.*

Like 11 U.S.C. 363(k), Michigan law holds that novation extinguishes the initial obligor's duties under the contract because the liability lies with the party who agreed to assume the contractual duties. *Riber v. Morris*, 279 Mich 344, 347 - 48 (1937); *In re Dissolution of F. Yaeger Bridge & Culvert Co.*, 150 Mich App 386, 410 (1986) (original debtor relieved of obligation when creditor allowed third-party to perform debtor's obligation under contract).

In this case, there is no question that GM agreed to accept the Debtor's obligations under the Lease. The evidence that the Lease was assumed and assigned is overwhelming and conclusive. GM and the Debtor issued a notice of intent to assume and assign the Lease; they issued a joint confirmation that the Lease was assumed and assigned; GM used the leased-premises after the assignment; GM paid rent after the assumption and assignment; and GM paid the accrued property taxes, an obligation it incurred upon accepting the assignment of the Lease. *See* Email indicating taxes paid. Exhibit D. On the other hand, GM did not seek any janitorial services under the "blanket order" or take any other action that supports its contention that it accepted the assignment of the "blanket order."

Conclusion

GM is in essence asking that Court for a "do over" because it decided that it did not want to accept the Debtor's assignment of the Lease. GM made this decision, however, after it accepted the assignment and this Court can not "unmake" GM's promise to assume the Debtor's

obligations under the Lease by allowing the Debtor to reject the Lease. M-Tech therefore respectfully asks the Court to deny the Motion.

QUIET POSSESSION TWELFTH: Lessor herein represents that it is the fee owner of the premises hereby leased and hereby covenants that Lessee, on paying the rent and performing all and singular the covenants and conditions of this Lease on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the premises for the term and for the uses aforesaid, and for the term of any renewal or renewals hereof, free from molestation, eviction or destruction by the Lessor, or by any other person or persons lawfully claiming the same, and that the Lessor has good right to make this Lease for the full term hereby granted, including the period for which the Lessee has the right to effect a renewal hereof. Should Lessee be dispossessed from the premises by reason of a superior title, the payment of rent shall cease from and after the date of such dispossession and all rent that may have been prepaid for any period of time Lessee is deprived of its peaceful possession by reason of said dispossession, shall be returned to Lessee forthwith, but the Lessor shall not hereby be relieved of liability to the Lessee for damages sustained by Lessee due to such dispossession. Lessor further agrees that in the event the premises are sold during the term of this Lease or any extension thereof, a certified copy of the Deed of Conveyance or an executed copy of the Assignment of this Lease shall be furnished to Lessee, it being understood that the consideration for such conveyance may be deleted from such instruments.

Lessor covenants and agrees that the lighting fixtures in the office portion of the premises shall be of sufficient capacity at all times to produce not less than 100 foot candles lighting at desk level.

ALTERATIONS BY LESSEE SEE RIDER, CLAUSE 12
FOURTEENTH: That with the prior written consent of Lessor, which shall not be unreasonably withheld, the Lessee shall have the right at any time during the term or any extension thereof, at its own expense, to make alterations, changes, improvements and remodeling to the premises, provided the same shall be in conformity with the Building Laws of the Municipality, County and State, and the Lessor covenants and agrees upon demand at any time after the execution of this Lease to obtain and deliver to the Lessee all permits, consents and other instruments which may be necessary or required by any public or quasi-public authority, permitting and authorizing such alterations, changes, improvements and remodeling. In case of said alterations, changes, improvements and remodeling, the Lessee shall not be required upon the termination of the Lease or any extension thereof to restore the premises to their original condition.

FIXTURES AND SO FORTH SEE RIDER, CLAUSE 4
FIFTEENTH: That all movable partitions, fixtures, floor covering, or equipment installed in the premises at the Lessee's expense shall remain the property of the Lessee and may be removed by the Lessee. The Lessee shall, however, repair any damage caused directly and exclusively by said removal at its sole cost and expense.

SIGNS AND SO FORTH SIXTEENTH: That the Lessee shall have the right to install or place signs or posters anywhere on or about the premises and upon removal of said signs and posters at the termination of this Lease shall repair any damage caused by such installation and removal.

CONDEMNATION SEVENTEENTH: That in the event the premises or any part thereof are taken or condemned by a temporary or permanent public or quasi-public use so as to interfere with Lessee's use, Lessee may at its option terminate this Lease and, in such event, any unearned rent paid in advance shall be returned to Lessee, but nothing herein contained shall prevent Lessee from recovering any damages sustained by Lessee due to such taking.

MORTGAGE SUBORDINATION SEE RIDER, CLAUSE 10
EIGHTEENTH: That this Lease shall be subject and subordinate to the lien of any mortgage or mortgages now existing or hereafter placed on the premises and Lessee agrees to execute and deliver upon demand, in confirmation of such subordination, such further instruments as shall be required by any mortgagees or proposed mortgagees. Provided, that if and when such mortgage or mortgages are placed, the mortgagee shall agree for itself and for every subsequent holder or owner of the mortgage and for any receiver or purchaser of the premises in the event of foreclosure, Lessee's quiet possession of the premises will not be disturbed on account of said mortgage or by reason of anything done thereunder so long as Lessee pays the rent and performs the other covenants on its part to be performed. Lessor agrees that in the event a mortgage is placed on the premises and a collateral assignment is given as security for the loan, Lessee will be furnished with a copy of such collateral assignment.

WAIVER OF SUBROGATION NINETEENTH: The Lessor and the Lessee waive all rights, each against the other, and against those holding under or through the Lessor and Lessee, for damages caused by fire or other perils covered by insurance where such damages are sustained in connection with the occupancy of the leased premises.

RIDER ATTACHED TO ... MADE A PART OF LEASE AGREEMENT. DATED AUGUST 28, 1986
BETWEEN M-TECH ASSOCIATES, LESSOR, AND GENERAL MOTORS CORPORATION, FOR
PREMISES TO BE KNOWN AS 33500 MOUND ROAD, STERLING HEIGHTS, MICHIGAN

1. USE OF PREMISES: ... office, heavy manufacturing, research, development, die machining, tooling and related uses only and for no other purpose without the written consent of Landlord, which consent shall not be unreasonably withheld. Lessee agrees that it will not use or permit any person to use the Demised Premises or any part thereof for any use or purposes in violation of the laws of the United States, the State of Michigan, the ordinances or other regulations of the City of Sterling Heights, Michigan, or of any other lawful authority.

2. TERM: For a term of ten (10) years commencing upon the earlier of the time of Lessee's beneficial occupancy on issuance of temporary Certificate of Occupancy, anticipated to occur between April and July, 1987; if it occurs between September 1, 1987 and December 31, 1987, Lessee will occupy the space rent free, not including utilities, for a period equal to the time period later than September 1, 1987. After December 31, 1987, Lessee may at its option cancel this Lease. The foregoing dates will be extended for such periods as performance by Lessor is frustrated due to strikes, war, acts of God, fire or other casualty or happening, governmental restrictions, or any similar contingencies beyond the reasonable control of Lessor.

3. RENT: (A) Any rent unpaid for more than ten (10) days after such rent is due (after the execution of this written lease by the parties) and any rent received and accepted more than ten (10) days after such rent is due (after the execution of this written lease by the parties) shall be subject to a late charge in an amount equal to the interest rate set forth in Clause 2(B), below, and such late charges shall be due from Lessee to Lessor as additional rent on or before the next rental due date. Any default in the payment of rent shall not be considered cured unless and until such late charges are paid by Lessee to Lessor. On default of payment of such late charges, Lessor shall have the same remedies as on default in payment of rent. Such late charges shall be in addition to any other rights or remedies Lessor may have as provided by this Lease or as allowed by law.

(B) If any rent, any late charges, or any other sums payable by Lessee to Lessor under this lease are not paid within thirty (30) days after such rent, late charges or other sums are due (after the execution of this written lease by the parties), such rent, late charges or other sums shall bear interest at the rate of four percentage points above the effective prime interest rate per annum charged by National Bank of Detroit to its best commercial customers; provided, however, that such rate of interest shall never be less than eleven (11) percent per annum. Such interest shall be due from Lessee to Lessor as additional rent on or before the next rental due date and shall accrue from the date that such rent, late charges or other sums are payable under the terms of this lease. Such interest for rent, late charges and other sums shall continue to accrue through the date such rent, late charges or other sums are paid by Lessee. Any default in the payment of rent, late charges or other sums shall not be considered cured unless and until such interest is paid by Lessee to Lessor. On default of payment of such interest, Lessor shall have the same remedies as on default in payment of rent. Such interest shall be in addition to any other rights or remedies Lessor may have as provided by this Lease or as allowed by law.

(C) All rentals to be paid pursuant to this Lease shall be fully paid without any deduction or set-off whatsoever.

4. ALTERATIONS BY LESSEE: Notwithstanding any other provision of the Lease, from and after the Lessee has taken occupancy of the Demised Premises any additions or alterations to the building or any of its systems (e.g., plumbing, electrical, mechanical), structural or nonstructural, which are required by any law, statute, ordinance, rule, regulation or governmental authority or insurance carrier, including, without limitation, OSHA, as the direct result of use or uses made of the Demised Premises by Lessee shall be the obligation of the Lessee.

PREMISES TO BE KNOWN AS 33500 MOUND ROAD, STERLING HEIGHTS, MICHIGAN

5. DELIVERY OF POSSESSION:

(A) That the Lessor covenants and agrees that the possession of the premises will be delivered to the Lessee upon the commencement of the term of this Lease in as good condition as required to be built hereunder, free from all tenancies and occupancies, and free from all violations filed or entered by any public or quasi-public authority, and free from complaints or reports of violations, noted or existing in or filed with any Federal, State, County, Municipal, Borough, or any other local authority, and free from any existing condition which might be the basis for any future complaints or violations. Lessor agrees that it will transmit copies of such notices or violations to Lessee forthwith upon Lessor's receipt thereof.

(B) Within ten (10) days after delivery of possession Lessee will furnish Lessor with a written statement of any deficiencies in the premises and after they are corrected to Lessee's satisfaction, Lessee will promptly furnish a written statement that Lessee has examined the premises, and knows the condition thereof, and that no representations as to the condition or the state of repairs thereof have been made by Lessor or Lessor's agents which are not expressly therein contained and Lessee thereby accepts the Demised Premises in their condition at that time.

6. ASSIGNMENT: Notwithstanding anything contained in Paragraph Fourth of the Lease, Lessee's rights thereunder shall be effective only if Lessee is not in default under the terms and conditions of this Lease, and further, the assignee or sublessee shall execute an instrument in writing assuming all of the obligations and liabilities of this Lease and further provided that such assignment or subletting shall not operate to release Lessee of its obligations under this Lease.

7. DAMAGE BY FIRE OR OTHER CASUALTIES AND INSURANCE:

(A) That if the premises shall be so damaged by fire, explosion, war, insurrection, riot, public disorder, act, authorized or unauthorized, on the part of any governmental authority or any cause or happening as to be substantially destroyed, then this Lease shall cease and come to an end, and any unearned rent paid in advance by the Lessee shall be refunded to it. In case of only partial damage or destruction of the premises or of other portions of the building or building containing the premises, then said premises or other portions of said building or buildings shall be restored promptly by the Lessor to their previous condition, but the rent herein reserved shall not abate while the said premises are being so restored and put in proper condition for use and occupancy. The [redacted] shall maintain fire and supply [redacted] [redacted] the aforementioned provisions of this clause. If any authority having jurisdiction shall decide that the said building or buildings should be demolished and removed, then forthwith upon such decision being made and upon the Lessee vacating the premises, this Lease shall cease and come to an end and any unearned rent paid in advance by the Lessee shall be refunded to it.

(B) At and after the commencement of the original term of this Lease, Lessee agrees to defend, indemnify and save Lessor harmless from any liability for damages and any costs and reasonable attorney fees of Lessor, to any person or property which occurs on the Premises from any cause whatsoever, except for liabilities and damages caused by Lessor's negligence or intentional acts. Lessee shall maintain and pay for the cost of the following: (1) general public liability insurance, including blanket contractual coverage against claims for or arising out of personal injury, death or property damage, occurring in, on or about the Premises or property in, on, or about the streets, sidewalks or premises adjacent to the Premises, such insurance to afford protection to the limit at the beginning of the term of not less than One Million (\$1,000,000) Dollars with respect to injury or death of a single person, and to the limit of not less than Two Million (\$2,000,000) Dollars

RIDER ATTACHED TO MADE A PART OF LEASE AGREEMENT DATED AUGUST 28, 1986

with respect to any one occurrence and to the limit of not less than Two Hundred Fifty Thousand (\$250,000) Dollars with respect to any one occurrence of property damage and thereafter in such changed amounts as Lessor may reasonably require. Lessee agrees to submit evidence to Lessor of such property and liability insurance coverage periodically upon Lessor's request to indicate continuous insurance coverage, and to have Lessor added as an additional Insured.

8. RIGHTS UPON DEFAULT: Lessor, in addition to other rights or remedies it may have, shall have the immediate right to reentry and may remove all persons and property from the Demised Premises; such property may be removed and stored in any other place for the account of and at the risk of Lessee. Lessee hereby waives all claims for damages which may be caused by the reentry of Lessor and taking possession of the premises or moving or storing of furniture, trade fixtures, and all other property of Lessor, and will save Lessor harmless from any loss, costs or damages occasioned Lessor thereby, and no such reentry shall be considered or construed to be a forceable entry.

Should Lessor elect to reenter as herein provided for or should it take possession pursuant to legal proceedings or pursuant to any notice provided for by law, it may either terminate this Lease or it may from time to time, without terminating this Lease, relet the premises or any part thereof for such term or terms and at such rental or rentals and upon such other terms and conditions as Lessor in its sole discretion may deem advisable, with the right to make alterations and repairs to the premises. Rentals received by Lessor from such reletting shall be applied as follows:

First, to the payment of any indebtedness, other than rent due hereunder from Lessee to Lessor, including all damages sustained by Lessor as a result of the default of Lessee;

Second, to the payment of rent due and unpaid hereunder;

Third, to the payment of all costs, expenses and charges of every kind and nature owing Lessee, exclusive of rent, pursuant to the provisions of this Lease;

Fourth, to the payment of any costs of such reletting;

Fifth, to the payment of the costs of any alterations or repairs to the premises;

and the residue, if any, shall be held by Lessor and applied in payment of future rent as the same may become due and payable hereunder. Should such rentals received from such reletting during any month be less than that amount agreed to be paid that month by Lessee hereunder, the Lessee shall pay such deficiency to Lessor. Such deficiency shall be calculated and paid monthly.

No such reentry or taking possession of the premises by Lessor shall be construed as an election on its part to terminate this Lease unless a written notice of such intention be given to Lessee or unless the termination thereof be decreed by a Court of competent jurisdiction. Notwithstanding any such reletting without termination, Lessor may at any time thereafter elect to terminate this Lease for such previous breach. Should Lessor at any time terminate this Lease for any breach, in addition to any other remedy, it may recover from Lessee all damages it may incur by reason of such breach, including the cost of recovering the premises, and including the worth at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent reserved in this Lease for the remainder of the stated term, over the then reasonable rental value of the premises for the remainder of the stated term.

9. TAXES, ASSESSMENTS AND UTILITIES:

(A) Lessee agrees to pay as additional rent for the Demised

Premises all taxes and assessments ("assessments" as used herein shall be defined as improvements and betterments which generally benefit a portion of the neighborhood in which the Demised Premises is located), general and special, and all water rates, and all other governmental impositions which may be levied upon said premises or any part thereof, or upon any building or improvements at any time situated thereon, until the termination of the original term and of any extended terms of this Lease. All of such taxes, assessments, water rates, and other impositions shall be paid by Lessee before they shall become delinquent and Lessee shall send copies of all paid tax bills to Lessor forthwith after payment. The property taxes for the first and last year of the original term or any extended term, as the case may be, shall be prorated between Lessor and Lessee so that Lessee shall be responsible for any such tax attributable to the period during which Lessee has possession of the premises in the year in which this Lease is terminated. The so-called "due date" method of proration shall be used, it being presumed that taxes are payable in advance. In the event that during the term of this Lease (i) the real property taxes levied or assessed against the real property shall be reduced or eliminated, whether the cause thereof is a judicial determination of unconstitutionality, a change in the nature of the taxes imposed, or otherwise, and (ii) there is levied, assessed or otherwise imposed upon the Lessor, in substitution for all or part of the tax thus reduced or eliminated, a tax (hereinafter called the "Substitute Tax") which imposes a burden upon Lessor by reason of its ownership of the real property, then to the extent of such burden the Substitute Tax shall be deemed a real estate tax for purposes of this paragraph. Notwithstanding the foregoing, in the event any assessments are imposed against the demised premises during the term of this Lease, Lessee shall be responsible to pay only such installments of such special assessments that shall become due and payable during the term of this Lease or during any extended term of this Lease.

(B) Lessee also agrees to pay all charges made against the premises for gas, heat, electricity and all other utilities furnished to the Demised Premises during the continuance of this Lease as the same shall become due.

10. CONDEMNATION: If the whole or any substantial part (including a substantial part which materially interferes with the Lessee's continued use and enjoyment of the Demised Premises) of the Demised Premises hereby leased shall be taken by any public authority under the power of eminent domain, then the term of this Lease shall cease from the day the possession shall be required for any public purpose, and the rent shall be paid up to that day. All damages awarded for such taking shall belong to and be the property of the Lessor, whether such damages shall be awarded as compensation for diminution in value to the leasehold or to the fee of the Demised Premises herein leased; provided, however, that the Lessor shall not be entitled to any portion of the award made to the Lessee for removal and reinstallation of Lessee's fixtures or for the cost of Lessee's immovable fixtures.

11. OPTION FOR EXTENSION OF LEASE TERM: Provided that Lessee shall not be in default in the terms and conditions of this Lease at the time of exercise, Lessor hereby grants to Lessee the right and option to extend the Lease for one (1) additional period of five (5) years. Lessee shall notify Lessor in writing whether or not it will extend this Lease for such renewal period at least three hundred (300) days prior to the commencement of the renewal period.

Notice of Lessee's intentions shall be deemed sufficient if given in the manner hereinbefore provided for notices. The five (5) year renewal period (hereinafter defined as the "Option Term") shall be upon the same terms, covenants and conditions as are contained in the Lease except that the yearly net rental for such renewal period shall be in accordance with Exhibit "B" and shall be paid monthly.

12. SERVICES BY LESSOR AND REPAIRS: The Lessor shall, for the rent and as provided in this section, provide for all services required by Lessee as

outlined herein, including any maintenance, repairs or replacement specified in Paragraph Second of the Lease, janitor services, snow removal during ordinary business hours, periodic window and glass partition washing, cleaning of toilet facilities, landscape maintenance as required, and trash removal. All such services will be provided for a Twelve Thousand Dollar (\$12,000.00) per year allowance, as additional rent, to be paid at the rate of One Thousand Dollars (\$1,000.00) per month in addition to the monthly rents provided in Exhibit "B," except that the cost to Lessor of maintaining, repairing and replacing the exterior walls and roof of the building shall be Lessor's sole responsibility for the rent reserved and not part of the \$12,000.00 allowance.

Lessee will agree to reimburse Lessor for any costs which exceed the Twelve Thousand Dollar (\$12,000.00) annual allowance. In addition, Lessee will reimburse the Lessor for the entire cost of any real estate taxes and insurance paid by the Lessor. The Lessor will manage the building during the term of the Lease for a fee of Ten Percent (10%) of the yearly operating costs exclusive of real estate taxes, utility and insurance charges paid by the Lessor. It is expressly agreed that the level of services provided hereunder will be at the full discretion of the Lessee. In addition, if during the term of the Lease the Lessee is dissatisfied with the services provided hereunder by the Lessor, the Lessee may direct the Lessor as to who will provide the services on behalf of the Lessor.

13. EARLY OCCUPANCY BY LESSEE: In the event Lessee desires to enter upon the Demised Premises prior to commencement of the Lease Term for purposes of fixturing or installation of furnishings and equipment (not including such entry for purposes of storage of crated or boxed fixtures, furnishings and equipment preliminary to such fixturing or installation), Lessee shall do so only upon the following conditions:

(A) The Lease Term shall be deemed to have commenced upon the date that Lessee so enters upon the Demised Premises.

(B) Lessee agrees that it shall not interfere with the work of Lessor, its general contractor, subcontractors, agents or representatives in completing any items of construction in, on or about the Demised Premises.

14. LIENS: After the commencement of the term of this Lease, the Lessee will keep the premises free of liens of any sort and will hold the Lessor harmless from any liens which may be placed upon the premises except those attributable to the acts of the Lessor.

15. PERFORMANCE BY LESSOR OF THE COVENANTS OF LESSEE: Should Lessee at any time fail to do any of the things required to be done by it under the provisions of the Lease, Lessor at its option, and in addition to any and all other rights and remedies of Lessor in such event, may (but shall not be required to) do the same or cause the same to be done, and the reasonable amount of any money expended by Lessor in connection therewith shall be due from Lessee to Lessor as additional rent on or before the next rental due date bearing interest at the rate set forth in Clause 2(B) above from the date of payment by Lessor until the repayment to Lessor by Lessee. On default in such payment, Lessor shall have the same remedies as on default in payment of rent. Lessor shall not make any such expenditures without giving prior written notice thereof to Lessee.

16. MISCELLANEOUS:

(A) Each and every of the rights, remedies and benefits provided by this Lease shall be cumulative and shall not be exclusive of any other of said rights, remedies and benefits, or of any other rights, remedies and benefits allowed by law.

(B) One or more waivers of any covenant or condition by Lessor

shall not be construed as a waiver of a further or subsequent breach of the same covenant or condition, and the consent or approval by Lessor to or of any act by Lessee requiring Lessor's (or Lessee's as the case may be) consent or approval shall not be deemed to waive or render unnecessary Lessor's consent or approval to or of any subsequent similar act by Lessee. The foregoing Sub-Paragraph (B) shall be equally applicable to Waivers, etc., by Lessee.

(C) This Lease shall be construed and enforced in accordance with the laws of the State of Michigan.

(D) If any term or provision of this Lease shall to any extent be held invalid or unenforceable, the remaining terms and provisions shall not be affected thereby but each term and provision of this Lease shall be valid and enforced to the fullest extent permitted by law.

(E) The captions of this Lease are for convenience only and are not to be construed as part of this Lease and shall not be construed as defining or limiting in any way the scope or intent of the provisions hereof.

(F) Whenever herein the singular is used, the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.

(G) This Lease contains the entire agreement between the parties hereto and previous negotiations leading thereto and it may be modified only by an agreement in writing signed by Lessor and Lessee. Lessor and Lessee hereby expressly declare that no representations have been made other than those expressly set forth herein.

17. In the event that any of the terms and conditions of this Rider shall conflict with any terms or provisions of the lease to which this Rider is attached, then, this Rider shall be deemed to supercede the terms and provisions of the printed Lease.

IN WITNESS WHEREOF, Lessor and Lessee have executed this Rider on the day and year first above written.
